

CURRICULUM VITAE

NORMAN J. GLICKMAN

University Professor
Rutgers University

Business Address:

Center for Urban Policy Research
Rutgers University
33 Livingston Avenue, Suite 360
New Brunswick, New Jersey 08901-1982

Telephone: (732) 932-3133, x 570
Fax: (732) 932-2363
Internet Address: glickman@rci.rutgers.edu

EDUCATION

Ph.D. in Economics, University of Pennsylvania (1969)
M.A. in Economics, University of Pennsylvania (1967)
City University of New York (1963-1965)
B.A. in Economics, University of Pennsylvania (1963)

CURRENT ACTIVITIES

University Professor, Rutgers University; position created by the Board of Governors, Rutgers University (1989-). Teaching courses in community development and public policy

Thomas Hartmann Public Policy Fellow, New Jersey Policy Perspectives

Visiting Professor, Urban Studies Program, University of Pennsylvania (2003-).

Editorial Board, *Journal of Planning Literature* (1984-).

Editorial Board, *CityScape* (1994-).

Editorial Board, *Planning and Markets* (1996-).

Member, Board of Trustees, National Housing Institute (2000-)

PROFESSIONAL EXPERIENCE

Academic

University Professor, Rutgers University (2000-).

Visiting Professor, Lyndon B. Johnson School of Public Affairs, University of Texas at Austin (2006-2007)

Visiting Professor, Urban Studies Program, University of Pennsylvania (2003-).

Director, Center for Urban Policy Research, Rutgers University. The Center for Urban Policy Research (CUPR) carries out research in economic development, housing and land use, urban poverty, community development, and related areas. External support for CUPR comes from the federal government (U.S. Department of Housing and Urban Development, National Academy of Sciences, etc.), state and local governments, and foundations (e.g., The Ford Foundation, Russell Sage Foundation, Fund for New Jersey). Budget: approximately \$3 million a year. The Center also has its own press and a Working Paper series. (1989-2000).

State of New Jersey Professor of Urban Planning, Rutgers University (1989-2000).

Principal Investigator, U.S. Department of Housing and Urban Development (HUD) four-year, \$4 million *Indefinite Quantity Contract* covering research on all facets of HUD's programs (1994-1998).

Principal Investigator, *Understanding the Critical Roles of Community Development Partnerships in the Community Development Process*; grant from The Ford Foundation (1995-2002).

Principal Investigator, *Project Community* to provide research support to community-based organizations; supported by the Fund for New Jersey and The Ford Foundation (1993-1996).

Co-Director, *Rutgers Economic Advisory Service*TM which provides forecasting and other economic analyses for businesses and governments (1991-2003).

Visiting Professor, The Bartlett School, University College—London (1998)

Fulbright-Hays Senior Lecturer, Monterrey Institute of Technology, Monterrey Mexico (1984-1987)

Mike Hogg Professor of Urban Policy and Professor of Economics, Lyndon B. Johnson School of Public Affairs, University of Texas at Austin (1983-1989). Taught courses in Political Economy, Urban and Regional Economics, and Urban Poverty.

Professor, Department of Regional Science, University of Pennsylvania (1982-1983).

Fellow, Netherlands Institute for Advanced Studies (1981-1982).

Associate Professor, Department of Regional Science, University of Pennsylvania (1981-1982).

Associate Professor, Departments of City and Regional Planning and Regional Science, University of Pennsylvania (1977-1981).

Associate Professor, Department of City and Regional Planning, University of Pennsylvania (1975-1976).

Assistant Professor, Department of City and Regional Planning, University of Pennsylvania (1970-1975).

Advisory Board of Project on International Comparative Study of Regional Models, International Institute for Applied Systems Analysis, Laxenburg, Austria (1980-1981).

Consultant, OECD review of urban policies in Japan (1983-1986).

Visiting Scholar, U.S. Department of Housing and Urban Development (1978-1979).

Senior Research Scholar, International Institute for Applied Systems Analysis, Laxenburg, Austria (1977).

Visiting Scholar, Gakushuin University, Tokyo, Japan (1974, 1976).

Director and Founder, Urban Studies Program, University of Pennsylvania. Responsible for overall administration and development of an interdisciplinary program concerning public policy analysis and the city (1970-1974).

Fulbright-Hays Senior Lecturer, University of Haifa, Israel (1972-1973).

Visiting Scholar, Japan Center for Area Development Research, Tokyo, Japan (1971, 1973).

Research Associate, Regional Science Research Institute (1969-1971).

Lecturer, Department of City and Regional Planning, University of Pennsylvania (1969-1970).

Research Fellow, Regional Science Research Institute (1967).

Teaching Fellow, Department of Economics, University of Pennsylvania (1966).

Lecturer, Department of Economics, Hofstra University (1966).

Lecturer, Department of Economics, City College of City University of New York (1965).

Research Fellow, Department of Economics, CUNY (1964-1965).

Economist, The Conference Board, Inc. (1963-1965).

Academic Service

Member, New Brunswick Faculty Council, Rutgers University (2005 -); chairman-elect (2007-2008), Chairman (2008-2009)

Member, Policy Board, Association of Public Policy and Management (1997-1999).

Northeast Regional Representative, Association of Collegiate Schools of Planning (1997-1999).

Editorial Board, *Journal of Planning and Markets* (1995-).

Chairman, Strategic Planning Committee, Rutgers University, responsible for New Brunswick campus strategic plan (1992-1994).

Member, Provost's Advisory Committee on Academic Development (1994).

Member, Budget and Planning Committee, Faculty Council, Rutgers University (1994-).

Board of Editors, *Regional Studies* (1989-1997).

Editorial Board, *Planning and Markets* (1996-).

Editorial Board, *CityScape* (1994-2007).

Board of Editors, *Regional Studies* (1989-).

Editorial Board, *Journal of Planning Literature* (1984-).

Editorial Board, *International Regional Science Review* (1982).

Editorial Board, *Urban Affairs Quarterly* (1980-85).

Associate Editor, *Journal of Regional Science* (1979-1987).

Associate Editor, *Regional Science and Urban Economics* (1979-1987).

Editorial Board, *Tourism Management Review* (1978-1980).

Steering Committee, Planners' Network (1979-1981).

Research Council, Institute for Environmental Studies, University of Pennsylvania (1970-1972).

Public Service

Trustee, Newark Public Radio (1997-2006).

Member, Governor's Council of Academic Policy Advisors (appointed by Governor Christie Whitman and both legislative houses) (1998-).

Member, Board of Directors, MSM Regional Council (1993-1995).

Advisor to U.S. Department of Housing and Urban Development on National Urban Policy (1993-1994).

Member, Governor's Council on Job Opportunities (appointed by Governor Jim Florio) (1992-1993).

Member, Economic Development Task Force, Austin Plan (Austin Comprehensive Plan) (1986-1987).

Chairman, Economic Development Commission, City of Austin (1985-1989).

Member, Board of Directors, Sematech Corporation for Texas (1987).

Member, "Futures Committee" of Greater Austin-San Antonio Corridor Council (1985).

Member, Austin-Travis County Commission on Metropolitan Governance (1984-1986).

Vice President's Task Force on Youth Employment (Principal Analyst for U.S. Department of Housing and Urban Development) (1979).

AWARDS AND HONORS

Fannie Mae Foundation Award for Best Paper at the 1997 meetings of the Association of Collegiate Schools of Planning (with Lisa J. Servon).

Best Comprehensive Planning Award, American Planning Association (New Jersey Chapter), October 1997 for work of *Project Community*.

Best Practices Award for Urban Databases, United Nations (1996) for *State of the Nation's Cities* (with Elvin Wyly and Michael Lahr).

President's Award, highest honor of the New Jersey Chapter of the American Planning Association, given to CUPR for its contribution to urban planning (1990).

Book, *The New Competitors*, selected among the "Top 10 Business Books of 1989" by *Business Week* magazine.

Vice President, Regional Science Association of North America (1988-1989).

Distinguished Fulbright Professor, Instituto Tecnológico y de Estudios Superiores de Monterrey, Mexico (1985-1987).

Vivian Stewart Visiting Fellow, University of Cambridge, Department of Land Economy (1984).

Ida Beam Visiting Professor, University of Iowa (1984).

Fellow, Netherlands Institute for Advanced Study in the Humanities and Social Sciences (1981-1982).

Councilor, Regional Science Association of North America (1979-1983).

Certificate of Special Achievement, U.S. Department of Housing and Urban Development (1979).

Lindback Foundation Award for Distinguished Teaching, University of Pennsylvania (1976).

Japan Foundation Fellowship (1975).

Ford Foundation Travel and Study Grants (1973, 1974).

Senior Fulbright-Hays Lectureship, University of Haifa, Israel (1972-1973).

Listed in *Who's Who in America*, *Who's Who in the World*, *Who's Who in the East*, *Who's Who in the South and Southwest*, *Who's Who in American Education*, and *Men of Achievement*.

CONSULTANCIES

New School University Milano School, review of Community Development Research Center (2004-2005).

U.S. Department of Housing and Urban Development, Office of Policy Development and Research (1978, 1980-1982, 1994).

Urban Institute (1990-1991).

Naifeh and Woska (attorneys) (1988-1989).

Industrial Union Department, AFL-CIO (1985).

Organization for Economic Cooperation and Development (1980-1981, 1983-1986).

RAND Corporation (1980-1981).

President's Commission for a National Agenda for the Eighties (1980).

Abt Associates, Inc. (1976, 1979-1980).

Point Breeze Federation (1978).

International Institute for Applied Systems Analysis (1977).

"A Note on Simultaneous Equation Estimation Techniques: Applications With a Regional Econometric Model," University of Pennsylvania Department of Economics *Discussion Paper* No. 342 (April 1976); *Regional Science and Urban Economics* 6:275-287 (1976).

(With Yukio Oguri), "Modelling the Urban Land Market: The Case of Japan," University of Pennsylvania Department of Economics *Discussion Paper* No. 311 (September 1975; revised September 1976); *Journal of Urban Economics* 5:505-525 (1978).

"On the Japanese Urban System," University of Pennsylvania Department of Economics *Discussion Paper* No. 306 (June 1975); *Journal of Regional Science* 16:317-336 (1976). Read at the Econometric Society Meetings in Dallas (December 1975); read at an International Conference on Megapolitan Problems in The Hague, the Netherlands (July 1975); reprinted in ERIPLAN, *Comparative Megapolitan Problems* (1975), pp. 91-144. Read at The Nagoya Habitat Conference in Nagoya, Japan (March 1976); reprinted in Japan Society for Ekistics, *Toward a Better Habitat for the 21st Century* (1976), pp. 92-118. Translated into Japanese ("Nihon No Toshi System Ni Tsuite") and reprinted in the *Journal of Tohoku Development (Tohoku Kaihatsu Kenkyu)* 13: 69-84 (1977).

(With Lawrence R. Klein), "An Econometric Model of Pennsylvania" (mimeo) (February 1975).

"Son of 'The Specification of Regional Econometric Models,'" University of Pennsylvania Department of Economics *Discussion Paper* No. 271 (April 1974). *Papers of the Regional Science Association*, 32:155-157 (1974).

(With F. Gerard Adams and Carl Brooking), "On the Specification and Simulation of a Regional Econometric Model: A Model of Mississippi," University of Pennsylvania Department of Economics *Discussion Paper* No. 266 (February 1974); *The Review of Economics and Statistics*, 57:286-298 (1975). Translated into French ("Description et Simulation D'un Modele Econometrique Regional: Un Modele de L'état du Mississippi") and reprinted in Raymond Courbis (ed.), *Modeles Regionaux et Modeles Regionaux-Nationaux* (Paris: Cujas, 1978), pp. 57-74.

"The Structure of a Large Scale Regional Econometric Model: Towards the Simulation of Regional Development," University of Pennsylvania Department of Economics *Discussion Paper* No. 235 (March 1972); *Proceedings of the 1972 Summer Computer Simulation Conference*.

"Conflict Over Public Facility Location in Japan," in Japan Center for Area Development Research, *Area Development in Japan*, 6:20-43 (1972); also University of Pennsylvania Department of Regional Science *Discussion Paper*.

"An Area-Stratified Regional Econometric Model," in Eric Cripps and Alan Wilson (eds.), *Space-Time Concepts in Urban and Regional Models* (London: Pion, Ltd.), pp. 74-107. Read at the 1972 Meetings of the British Regional Science Association.

“An Econometric Forecasting Model of the Philadelphia Region,” *Discussion Paper* No. 39, Regional Science Institute (May 1970); *Journal of Regional Science* 11:15-32 (1971). Translated into Japanese (“Philadelphia Chiiki ni Kansuru Keiryō Keizaigaku Teki Yosoku Moderu”) and reprinted in the *Journal of Tohoku Development (Tohoku Kaihatsu Kenkyū)* (Volume 10, Number 4, 1971). Translated into Spanish (“Un Model Economico de Proyeccion para la region de Filadelfia”) and reprinted in *Plerus* (Volume 6, Number 2, 1973).

Other Papers

Occasional “op-ed” page contributor on economic and urban affairs to *The New York Times*, *Philadelphia Inquirer*, *Star-Ledger (Newark, N.J.)*, *San Diego Union*, *Austin American-Statesman*, *Chicago Tribune*, *Atlanta Constitution*, and other newspapers.

“Community Economic Development,” Conference sponsored by the Carnegie Corporation, October 1993.

“How We Get From There to Here: An Analysis of Governor Jim Florio’s Tax Plan,” Colloquium, Woodrow Wilson School, Princeton, New Jersey, June 15, 1990.

“The Japanese Takeover of the American Economy (and Other Myths About Foreign Investment),” *James J. Burke Distinguished Lecture Series*, King’s College, February 16, 1990.

“Local Public Policy, Global Corporations,” presented at meetings of the Association of Collegiate Schools of Planning, Portland, Oregon, October 8, 1989.

“Foreign Investment and American Jobs,” presented at A Carolina Public Policy Conference *Job Creation for the Nineties*, University of North Carolina at Chapel Hill, April 20-21, 1989.

“Foreign Investment and Labor,” presented at *Unheard Voices: A Conference on Labor and Economic Policy*, Wayne State University, March 29, 1989.

“Product Liability in Texas,” testimony before the State Affairs Committee, Texas House of Representatives, March 20, 1989.

“Foreign Investors: Friends or Foes?,” speech delivered to the Japan External Trade Organization of New York, October, 1988.

“Foreign Investment in the Southwest,” paper given at a conference *From the Southwest to the World*, Dallas Federal Reserve Bank, October, 1988.

“Is Texas Ready for Real Tax Reform?,” presented at the *Texas Lyceum Conference*, Austin, Texas, May 29, 1986.

“The Internationalization of the Economy and the Slowdown of Manufacturing Growth in the Sunbelt,” 2nd Annual *Colloquium Lecture*, Memphis State University, Department of City and Regional Planning, Memphis, Tennessee, December 12, 1985.

“The Economic Future of the Austin–San Antonio Corridor,” presented at a Conference on *Austin–San Antonio Corridor*, December 2, 1985.

“Thoughts for Democrats,” background paper written for the March 2, 1985, *Meeting of the House Democratic Caucus* in White Sulphur Springs, West Virginia.

“Structural Change and Japanese Cities,” paper written for the OECD Urban Affairs Division (December 1984).

“Economic Change and the Transformation of Japanese Cities,” presented at an *International Symposium on Dwellings for Humanity* in Tsukuba, Japan (October 1984).

“Rethinking Urban Policy” (book review), *Journal of American Planning Association* (Summer 1984), pp. 370-371.

“Notes on Reagan’s Urban Policy,” presented at a Conference on *Changing Domestic Priorities*, The Urban Institute (January 1984).

“Teaching Economics to ‘Planalysts’,” presented at Meetings of Association of Collegiate Schools of Planning in San Francisco (October 1983).

(With Robert R. Alford), “The State in an Internationalized Economy: Consequences for Political Conflict,” read at a Conference on *National-Local Linkages in National Development*, Bellagio, Italy (1982).

“Planning for Decentralized Decisionmaking,” paper prepared for a Conference on Local Government, El-Fayom, Egypt (mimeo, 1980).

“The Future of Multiregional Modelling,” presented at a Conference on *Practice and Prospects of Multiregional Economic Modelling* at the International Institute for Applied Systems Analysis, Laxenburg, Austria (mimeo, 1981).

“New York and ‘The Global Factory,’” paper presented at a Conference on *Setting Municipal Priorities* (for New York City), Tuxedo Park, New York (mimeo, 1980).

“HUD Policy Recommendations to the Vice President’s Task Force on Youth Employment” (Washington, D.C.: Department of Housing and Urban Development, 1979).

“HUD Programs and Youth Employment: HUD’s Response to the Vice President’s Task Force on Youth Employment” (Washington, D.C.: Department of Housing and Urban Development, 1979).

“The Urban Impacts of a Proposed Program to Extend FHA Insurance to Commercial and Industrial Properties” (Washington, D.C.: Department of Housing and Urban Development, 1978).

(With Susan S. Jacobs), “The Urban Impacts of Section 108 Changes” (Washington, D.C.: Department of Housing and Urban Development, 1978).

“The Shinkansen Railroad and Japanese Regional Planning,” presented at a Conference on the Impact of the Shinkansen Railroad, International Institute for Applied Systems Analysis, Laxenburg, Austria (1977).

(With Erhan Gencer), “An Empirical Analysis of the Japanese Urban Public Finance System” (mimeo) (May 1976).

“Econometric Analysis of a Regional System I: A Forecasting Model,” University of Pennsylvania Department of Economics *Discussion Paper* No. 290 (September 1974).

“Econometric Analysis of a Regional System II: Some Policy-Analytic Simulation Experiments,” University of Pennsylvania Department of Economics *Discussion Paper* No. 272 (April 1974; revised September 1974).

“Regional Econometric Models: The Japanese and American Experience,” read at the 1971 Meetings of the Japan Section of the Regional Science Association, Tokyo, Japan, 1971; also University of Pennsylvania Institute for Environmental Studies *Discussion Paper* (February 1972).

“Economics and Urban Problems” (review of book by Dick Netzer), *Annals of the American Academy of Political and Social Sciences* (September 1970).

An Econometric Forecasting Model of the Philadelphia Region, unpublished Doctoral Dissertation, University of Pennsylvania (1969). Invited Doctoral Dissertation read at 1969 North American Meetings of the Regional Science Association, Santa Monica, California (November 1969).

“Programs for Manpower Development in Philadelphia” and “The Labor Force of the Model Neighborhood,” in Franklin Institute Research Laboratory, *Model Cities Economic Development* (1969).

“Problems and Prospects in Regional Econometric Models,” presented at a Conference on Regional Econometric Models, University of North Carolina, Chapel Hill, North Carolina (1969).

“An Economic Base Study and Action Plan for Pocahontas County, West Virginia,” Roy F. Weston, Inc. (1968).

Research Assistant under W. J. J. Smith and D. C. Creamer, *R&D and Small Company Growth*. National Industrial Conference Board, *Studies in Business Economics* 102 (1968). *On the Optimal Spatial Location of the Food Distribution Industry: A Report to Venturi, Inc.* (1968).
